If you do have one of the books I would really appreciate it if you could just tell me the names of the topics that come in C3. You can find this in the content page. I just need the chapter names. It will say C3 UNIT 3 CHEMISTRY and will have numbers 1-4 i think with names beside it. I don't need the names for 1.1 1.2, 1.3 etc just the chapter names. I would really really appreciate it if you could do this for me. Will also give a rep. Thanks in advance (Original post by Aty100) Hey does anyone have the AQA science - Further science GCSE text book or the AQA science - Chemistry GCSE text book by Nelson Thornes?? (Original post by thepurleirain) C3 1 - The Periodic Table 2 - Water 3 - Energy Calculations 4 - Analysis and Synthesis 5 - Organic Chemistry Hope that helps Let me know if you do want the individual subheadings. Thank you so much i just needed them because i do triple science and i was creating a mind map with all the headings for chemistry biology and physics to use as a checklist Want more?
